no, if a man is a good man, he will not be satisfied with lying; he will love truth and peace.

Samson, the man of God, was a mighty warrior. He lived in the days of the judges of Israel. He was born in Zorah, a town in the tribe of Dan. His father wasnamed Manoah, and his mother was a virgin. Manoah was told by an angel of the Lord that his son would be a great man, and he was to name him Samson.

Samson's strength came from the Holy Spirit, and he used it to defeat the Philistines. He was a symbol of God's power and love for His people.

God's love for His people is like a powerful force, capable of overcoming all obstacles. We should trust in God and His love, and we will be able to overcome our problems and difficulties.
